

Catch the Wave (River Run)

Wanda Mann, Mya Reimer, Jude Reimer

Key E
138 BPM

Chorus:

I'm going to go, go, go where the river runs
I'm going to taste and see what the Lord has done
Ooh - ooh - Let the river run
I'm going to shine, shine, shine where there is no light
I'm going to take your kingdom to the night
Ooh - ooh - Let the river run

Verse 1:

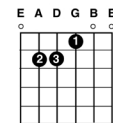

Jesus, You gave your life up for me
You gave Your life up for me and now I am free
Jesus, I want to give all I can
I want to give all I am - all I am

Verse 2:

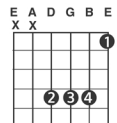

Jesus, You said that if I believed
You said that if I believed in You, I would see
Jesus, Your living water flow
Your living water flow, flow through me

Bridge:

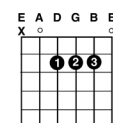

God is on the move today
So we better catch the wave
God is on the move today
So we better catch the wave
